ALONG THESE LINES . . .

CHANGE IS COMING

At the MYEC Annual Meeting held on March 21, CEO Jason Brothen spoke about some changes that will be happening at the Cooperative this year.

One of the changes he spoke of was the upgrading of the computer system. With this upgrade, members will receive a new billing statement and will have more bill paying options. One new payment option will be to pay by debit/credit card at the office or online.

The system is scheduled to change over on September 11, 2017. As we get closer to that date, we will be informing you, our members, of more changes to come and possibly more payment options.

IDLE SERVICES

During line inspection and pole replacements, occasionally our line crew will find an electric line that is idle—not being used. MYE will not replace any poles or maintain any electric line that is idle. If you are a member that has an electric line on your property that is not being used, you need to be aware that the line will be removed at MYE’s earliest convenience. If, after removing the line, you decide you want the line again, then you need to contact our office so we can determine the cost to rebuild the line. Once MYE has determined the cost, the member will probably need to sign a contract for service and begin making monthly payments. Other financial obligations may also be required.

The cost of replacing power poles on idle lines is too expensive and unnecessary.

This institution is an equal opportunity provider and employer.

78TH ANNUAL MEETING

(Above) Members enjoy a Roast Beef dinner before the meeting.

(Left) Trustees Arlo Jensen, Kevan Kimball & Lee Howard along with CEO Jason Brothen & Kyle Kavanagh, Tech Coordinator, gather before the meeting of the members begins.

(Above) First annual winners of the "Luck of the Draw" scholarships were Brooke Eves and Lauryn Pfaffinger.

MEMBERS ELECT THREE TRUSTEES

Members of Mid-Yellowstone Electric met on Tuesday, March 21st, to elect three trustees to serve for three-year terms. Re-elected to serve the Town of Hysham area was Arlo Jensen; Lee Howard, representing the Sarpy Creek area; and Lance Moreland, representing the Ingomar/Hammond areas.

Members arrived early to dine on a Roast Beef dinner prepared and served by the Treasurebelles. Hysham FFA students served drinks and helped clear tables.

When the meeting began, members heard reports from their President Joe Schiffer, CEO Jason Brothen, Auditor Brian Van Steeland, Attorney Gary Ryder, COO of Upper Missouri Jeremy Mahowald, as well as MECA's Ryan Hall.

Two \$1000 "Luck of the Draw" Scholarships were awarded. The two recipients were: Brooke Eves and Lauryn Pfaffinger.

Door prizes were drawn during the evening.
